This is an exciting opportunity for an enthusiastic and motivated individual to join our successful Science department, as part of a friendly and hardworking team.

We seek inspirational teachers with talent and drive to join our strong and successful team. We believe our success as a faculty is directly linked to the quality of our staff and the professional development of our teachers.

We are an inclusive school where every student is valued and has the opportunity to shine. We currently have 1293 pupils at the school.

Helena Romanes is a thriving, all-through school for children aged 4-18, situated in the beautiful North Essex countryside. It has good communications to London and the South East, and it is approximately 7 miles from Stansted Airport.

This is an exciting time to join the school:

- In September 2021, the school was designated as an all-through school for pupils aged 4-18 years and we are now only one of two all-through schools in Essex. We believe this puts us in a position to offer a unique educational experience to both students and staff who work at the school.
- We are working with the Department of Education to build a new, state-of-the-art school building on Stortford Road, Great Dunmow, which is set to open to the primary phase in 2025 and the secondary and sixth form phase in 2026.
- We are a member of the successful Saffron Academy Trust, a highly effective local trust led by Caroline Derbyshire, CEO. As members of the trust, we receive a comprehensive package of school improvement and there is regular networking and support between the trust's primary and secondary schools.
