

# Starting in Reception

After the summer holidays I will be  
in Reception at school.

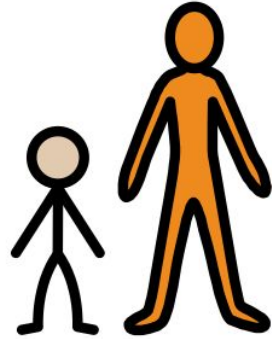

My teacher will be

Mrs Webb

There will be other adults in the classroom at some times across the week.

Everyone is there to help my learning and anything else I need.

I will come into my classroom here.

I will put my things away on the peg  
and in the tray with my name on.

My classroom will look like this.

My outdoor classroom will look like this.

I will use the toilets next to my classroom.

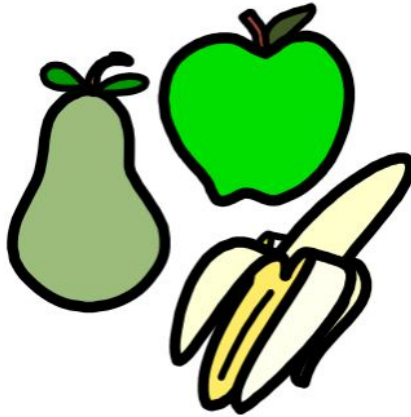

I will eat my lunch in the hall.

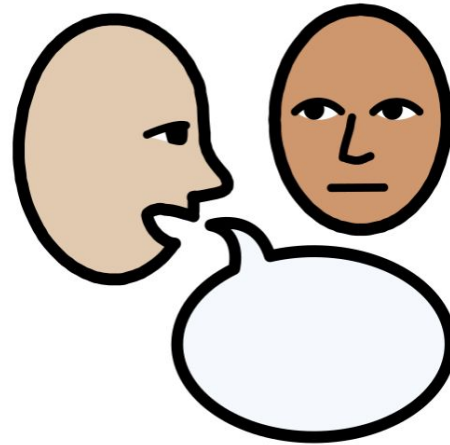

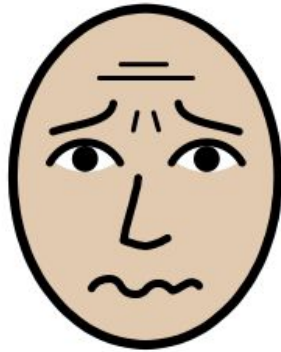

I will play on the playground at lunchtime.

In Reception I get given a piece of fruit as a morning snack.

If I am worried about anything I can talk to any adult in school.

We have lots of interesting things to learn this year and there are lots of exciting things to look forward to.

We look forward to welcoming you to our school soon.
